Resolution No. 17-9: Follow-up from Meeting #14, June 18, 2013

October 28, 2013

RESOLUTION REGARDING OVERRELIANCE ON STANDARDIZED TESTING A CALL TO THE GOVERNOR OF THE STATE OF NEW YORK, THE NEW YORK STATE COMMISSIONER OF EDUCATION, THE NEW YORK STATE BOARD OF REGENTS AND OTHER POLICYMAKERS TO STOP THE OVERRELIANCE ON STANDARDIZED TESTS AS A MEASURE OF STUDENT PERFORMANCE AND PRINCIPAL/TEACHER EFFECTIVENESS

- WHEREAS, every student deserves a quality public education dedicated to preparing engaged citizens, creative and critical thinkers and lifelong learners ready for college and careers; and
- WHEREAS, while the implementation of the Common Core standards will ultimately help students, teachers and the teaching and learning process, and
- WHEREAS, the Syosset Board of Education recognizes the need to adequately assess student learning in order to make desirable changes in curriculum and teaching, and
- WHEREAS, the need for adequate assessment has morphed into a reliance on over-testing, mismanagement of standardized testing, and misinterpretation of what testing is designed to do, and
- WHEREAS such over-testing and mismanagement of testing has severely eroded student learning time, narrowing the curriculum and jeopardizing the rich, meaningful education our students need and deserve; and has caused needless anxiety and angst among staff, parents and students alike without any beneficial data to warrant such negative consequences, and
- WHEREAS, there has been a reliance upon the Common Core standards in the development of state testing despite the fact that students have not been exposed to these standards for a sufficient amount of their school experience; and
- WHEREAS, despite the fact that research recommends the use of multiple measures to gauge student performance and teacher effectiveness, the State's growing reliance on standardized testing is adversely affecting students across all spectrums and the morale of our educators and is further draining already scarce resources; and
- WHEREAS, the Federal Elementary and Secondary Education Act's testing policies fail to appropriately accommodate the unique needs of students with disabilities and English language learners in assessing their academic achievements which results in test scores that do not accurately represent a true measure of the impact of teachers and schools; and
- WHEREAS, it is time for policymakers to reconsider the number, duration and appropriate use of standardized tests so that our schools can refocus their efforts on improving student learning outcomes; now, therefore be it
- RESOLVED, that we call upon Governor Andrew M. Cuomo, State Education Department Commissioner John B. King, Chancellor of the Board of Regents Merryl Tisch, Chair of the Senate Committee on Education John Flanagan, Senator Carl Marcellino, Chair of the Assembly Committee on Education Catherine Nolan, Assemblyman Charles Lavine and other policymakers to reduce the use of, and overreliance on, standardized testing.
